NSS Report 2015-16

The NSS Unit organized an **Orientation Programme** for 200 NSS volunteers on 4/08/2015 in Auditorium.

Resource persons from **YRG Care**, an NGO working with AIDS people and cancer patients, gave orientation to the NSS volunteers about their new initiative called **One Two One(121) program** which will facilitate health services to society through a **Mobile App**. The main aim of this programme was to develop volunteerism among students.

Student Awakening Day was organized on Thursday, 15th October 2015 commemorating the late President Dr. A.P.J. Abdul Kalam. for all first students.

National Service Week was celebrated on September 23rd-30th and NSS volunteers initiated to give awareness on **Road Safety** in Patrician College. The objectives of this programme were

- To ensure that all students are using helmets while driving two wheelers.
- To find out that all students are possessing valid driving licence
- To get registration numbers of all the students vehicles.
- To give awareness on risks of traveling in triples.

All NSS volunteers procured the registration numbers and licence details from students from 28th to 30th September. An **villupaatu** on Road Safety was also performed on 30th September.
