

LITERACY CLUB

The Literacy Club ensures that "Education for All" is not only just the theme of the club, but also makes sure to offer helping hand in promoting literacy to needy people. In this regard, the club conducted a workshop to educate and provide assistance to the Support Staff of the college on "Banking Operation" on 31 August, 2015. The workshop has helped support staff in performing banking operations on their own. The resource person for the workshop was Ms. M. Meenakshi, Asst. Professor, Department of Commerce.
