

LITERACY CLUB (2018-2019)

The Literacy Cell offers literacy programs to the illiterate for local community as part of Institutional Social Responsibility (ISR). Service minded come forward and participate in extending their support to the community. In this regard, for the academic year 2018-2019 the students identified “MallikaiPoo Nagar” near Malar hospital to render their service from 12.02.2019 to 16.02.2019. The students taught them basic reading skills after college hours. 20 students were involved towards this initiative

This cell was inaugurated in the community by Prof Dr. Ahila Sivashankar with coordinators Dr. D. Dhananjayan and Prof D. Shirley.

Student teaching basic writing skills
