

WOMEN CELL ACTIVITIES

2014-2015

On August 10th 2014 Women Cell, organized an awareness program for women students in the college to sensitize the girl students on sex education and women related issues.

On Oct 13th 2014 a seminar was organized on the importance of girl child and 50 girl students participated in the seminar. Educating a girl child is considered as luxury. The rigidity of the patriarchal structure makes girl child workers more vulnerable to the exploitation of profit seeking employers. Mrs. Usha Jose, Assistant Professor, Department of Social Work, Resource person addressed on the issues faced by women in the society.

On Dec 20th 2014 an awareness seminar on Sexuality was organized by the Women Cell to address on the Heterosexuality. Mrs. Usha Jose, Assistant Professor, Department of Social Work, Resource person addressed on the issues of sexuality.

On 21st February 2015 Women Cell in association with YRC Club organized a seminar on Women's Health for the final year girl students. Dr. Rani Pandian, Assitant Health Officer, Department of Birth & Death, Chennai corporation addressed the students on general health issues of women.

International Women's Day is celebrated in the month of March each year. Various programs relevant to the community such as lectures by women role models, panel discussions and plays were organized. On International Women day program the Cell in association with the language department conducted Debate competition in Tamil and 70 girl students from the 1st year participated in the event. The resource person and debate chairperson was Dr. Akila Sivasankaran, HOD of the Tamil Department.
